Coronavirus Stage 3 Update

Date: 12 July 2020

To: All Families

From: John Rudd | Principal

Subject: **Stage 3 Return to Remote Home Learning Program**

Dear Families

Stage 3 Return to Remote Home Learning Program

As announced today, Sunday 12 July 2020, the Victorian Premier Daniel Andrews in line with advice from the Victorian Chief Health Officer, from Monday 20 July 2020, students in Grade Prep to Year 10 in mainstream state schools in metropolitan Melbourne and the Mitchell Shire would return to remote home learning until at least 19 August 2020.

I appreciate with the reintroduction of the 'Remote Home Learning Program' there will be heightened levels of concern, anxiety and many challenges ahead for students, families and teachers.

Please take comfort that the teachers at SFdS are passionate about what they do and I know that once again, they will continue to work really hard to ensure that they are providing the best educational experiences possible during these challenging circumstances. All staff at SFdS are here to help and guide our families along the way, our families are not alone, as we are all in this together.

As previously communicated, for the week beginning Monday 13 July to Friday 17 July 2020 there will be 'Pupil Free Days'. On these days, School Staff will be preparing for the transition to the return to the remote home learning program.

As more details come to hand, regarding the Covid-19 Stage 3 Remote Home Learning Program, information will be communicated as soon as possible. I would like to thank you for your patience, support and understanding as we unpack this next stage.

Please take care, stay safe and remember to keep those who are struggling in your prayers.

Kind Regards

John Rudd | Principal | john.rudd@sfoakpark.catholic.edu.au
